Start something big today. Apply now

## Employer Branding Internship

Location:

**Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology –with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.**

Whether in areas of the Internet of things, automated driving or smart home applications, we constantly set new standards with a stream of new ideas aimed at achieving a truly networked future. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new technical ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- Help in coordination university marketing in Warsaw (Job Fairs, university events, support for student's clubs)
- Assisting in branding activities in most significant events in IT field
- Preparing remarkable materials and templates
- Co-creating unique events for employees
- Publishing job offers in social media, career site, job boards
- Coordination of administrative work (purchasing, invoices, agreements and documents)

What distinguishes you:

- Creative, optimistic with a "can-do" attitude
- Student minimum of II year (psychology, sociology, marketing, journalism, philology or similar)
- Available min. 30 hours per week (Monday – Friday, between 8:00-18:00)
- English on B2 level or higher
- Good project management skills
- Practical knowledge of Microsoft Office tools
- Nice to have experience in student's club or charity organization
- Nice to have experience in HR and/or recruiting

Benefits:

- Professional development (trainings, possibility to work in international environment)
- Exciting projects
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Flexible working hours, we adjust to your student's plan
