## Agile Master

Location: Warsaw

**Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology –with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.**

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 375,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

### Your contribution to something big:

- Ensure Agile Methods being understood and followed by the agile teams and the stakeholders (method expert)
- Supporting self-organization of the team & cultural change
- Supporting project teams in daily activities and ensuring transparency about team work and progress towards everyone
- Removing impediments and ensuring smooth functioning of agile team
- Protecting agile Teams (e.g. against requirements volatility, conflicting new tasks during a Sprint or fluctuation of project resources)
- Conduct and organize trainings within Project and Business teams, coach agile process and leadership roles especially Product Owners and Management
- Implement continuous improvement process so methods are constantly evolving and digital knowledge is built (trainings/ongoing learning)
- Improve team work by removing barriers
- Ensure new mindset and agile working culture

### What distinguishes you:

- Experience in Scrum master at least 3 years, experience with Kanban and Design Thinking would be consider as an advantage
- Coaching skills and a deeper understanding of coaching techniques and attitudes
- Good working knowledge of servant leadership, situational awareness, conflict resolution, continuous improvement and increasing transparency
- Experience in facilitating meetings using visual meeting techniques and tools
- Fluent English
- Mobility (ready to travel 50% of the time)

### Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in a dynamic environment for an innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
