Start something big today. Apply now

Database Security Consultant (Oracle)

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology– with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

You will become part of a team building Integrated Bosch Data Platform (Data Lake):

- Administration and authorization development of Bosch Data Lake Solution (based on Oracle)
- Ensuring that Bosch Security Standards are well integrated into system
- Cooperating with Project Manager and implementation team on proper security of Bosch Data Lake solution
- Consulting internal customers in defining authorization concepts
- Defining security checks according to central guidelines

What distinguishes you:

- Having hands-on experience with databases access privileges (Oracle)
- Understanding compliance issues related to security standards
- Education related to IT or similar
- Experience in database security
- Experienced in project work
- Knowledge of English
- Knowledge of German would be an additional asset
- Team player but also able to work independently
- Willingness to travel 30% of the time

Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
