Let's be remarkable.

Start something big today. Apply now

.Net Backend Developer

Location: Warsaw

Success stories don't just happen. They are made. Openness, tolerance and integrity shape our work climate, which promote the efficiency of every employee. Strengthen our innovative power by accepting these values.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- Development and maintenance of .NET web services
