SAP HANA Technical Consultant

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 375,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- You will define standards and guidelines for developments on HANA Platform
- You will define concepts for creation and distribution of flexible and reusable components
- You will define architecture and best practices for development on SAP HANA Platform
- You will consult strategic projects stakeholders about new technologies and concepts

What distinguishes you:

- Several years of relevant professional experience in SAP software development/ architecture and SAP base technology (ABAP-OO, UI5 / Fiori)
- SAP development in large companies in an international context
- Graduation in IT or comparable qualification
- HANA certification is an asset
- Independent working style
- Structured, conceptual and analytical thinking
- Engaged, convincing and strong presentation skills
- Ease in communication in English on daily basis

Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
