Let's be remarkable.

Start something big today. Apply now

SAP Application Owner

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology—with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- SAP Application Ownership according to BOSCH Central Directive "Access and Identity Management (AIM)": Managing IdM Workflows and Role assignment
- Customer consulting due to AIM requirements
- Process definition and conduction of operations to shut down SAP applications
- Operation of SAP Login controls activities (reporting and maintenance)
- Monitoring of Shared account in SAP applications
- Conducting and organizing tool-based detective controls activities

What distinguishes you:

- University / college degree in business and/or information technology
- > 2 years of SAP experience and/or other ERP applications
- Operating experience in User- and Entitlement-Management (AIM)
- Experience of IT architecture and transport management is desired
- Experience of auditing procedures is desired
- Experience of application security is desired
- High level of English language proficiency required, moreover German language would be beneficial
- Good communication in team and across hierarchies

Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
