SAP - IT Auditor and Maintenance SSM Audit Tool

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology—with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- **Take responsibility:** You will plan and perform IT security audits on all SAP systems within the Bosch group.
- **Conscientious coordination:** You will align audit results with the audited entity.
- **Reliable implementation:** You will monitor measure implementations.
- **Help to shape the future:** You will ensure the secure operation of existing audit tool as well as further development of new functions.

What distinguishes you:

- **Personality:** responsible and team player
- **Working Practice:** independence, able to convince and willing to innovate
- **Experience:** several years of relevant professional experience in audit methods and experience in the field of SAP security
- **Knowledge:** know-how in Database Technology (MS SQL Server, ODBC) and Programming (MS Access, T-SQL Programming, VBA Scripting)
- **very good English skills** both written and spoken

Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
