Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of automated mobility, Internet of Things, Smart Home solutions with innovative ideas we are keep setting new standards to create integrated future. This is only possible with the help of a global network of more than 410,000 highly committed employees, with pioneers who break new technological ground every day. So why not join us in starting something remarkable?

Your contribution to something big:

- ▶ International strategic consulting in the process area
- ▶ Fruitful co-operation with Process Managers in the respective Bosch divisions worldwide taking into account different interests and economic aspects
- ▶ Leading/collaboration in SAP development and roll-out projects

What distinguishes you:

- ▶ 4 to 5 years of working experience and knowledge in Sourcing and Procurement process
- ▶ Working experience in:
 - procurement process and related configurations (PR, PO, RFQ, Contracts, Outline Agreements)
 - MM master data and customizing (Vendor master, Material master, Info Records, Source List, Quota Arrangement)
- ▶ Knowledge in IDocs types (ORDERS, ORDRSP, CREMAS, MATMAS) and EDI connection settings
- ▶ Knowledge in Integration topics SD (Deliveries, Billing, STO configurations), PP (BOM, MRP), QM (Inspection lots and QM profiles), PS/PM (Project/WBS structures and Plant maintenance order types)
- ▶ Knowledge in Services Procurement and SRM interfaces
- ▶ Basic De-bugging and understanding of technical concepts, LSMW, BDC
- ▶ Past experience in implementation, rollout and support projects
- ▶ Document functional designs, test cases and results
- ▶ Fluent German speaking skills

Benefits:

- ▶ Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- ▶ Working in dynamic environment for innovative company with strong position on the worldwide market
- ▶ Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
