## Junior Managers Program in Automotive Aftermarket

Location: Warsaw

**Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology –with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.**

Whether automated driving, innovative drive technologies, or intelligent driver assistance systems: Bosch is leading mobility into new dimensions. Our key driver: improving people's quality of live by making the future more sustainable. This is only possible with the help of a global network of more than 390,000 highly committed employees, with pioneers who break new technical ground every day. So why not join us in starting something remarkable? Make it happen.

### Your contribution to something big:

- JMP is 18-24 months full time program
- Involves individual development through stages in various functions, locations and sectors in PL and abroad
- Gain international experience. An assignment abroad is mandatory to fulfil the programmer's aims
- Develop your leadership and decision-making skills through involvement in projects as well as in day-to-day business.
- Benefit from the in-depth guidance of an experienced mentor and senior executives, including regular feedback

### What distinguishes you:

- Potential to lead and to take over a department manager function in the future
- Interest in Technical Sales and Marketing
- Master or Diploma studies with a technical or business focus
- Professional experiences not more than five years
- International experiences i.e. studies abroad, internships or projects
- Internships and/or student research projects with a minimum duration of six months
- Excellent command of both Polish and English, German will be an asset
- Open for short term international assignment

### What's in it for you:

- Tailor-made program for talented leaders
- Unique career development opportunity: 4 members of the current Bosch Board of Management are former JMPs
- Internationality: 35 countries offering JMP positions, 280 participants Begin the JMP per year worldwide
- Permanent contract
- Benefits package (private medical care, sport pass, regular training, co-financed lunches)
