Start something big today. Apply now

Junior Project Manager

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology –with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

As an IT Consultant for the rollout team of Management of Costs and Resources (MCR), you will be responsible for:

- Preparing and controlling all kind of rollout activities
- Preparing the system environment for test and Go-Live in collaboration with global teams and supporting during the test activities
- Conception and implementation of a rollout system by means of templates, instructions, training, etc.

What distinguishes you:

- Experience in Project Management of IT rollouts, ideally in the Oracle/SAP environment
- Basic knowledge about SQL queries
- Interest in Process Consultancy
- Nice to have: Controlling knowledge, experience with SAP (PS, CO, SD) and iGPM
- Taking initiatives, enthusiastic and self-motivated
- Ability to work in an international team
- Proficiency in English. German would be additional asset

Benefits:

- Working in dynamic environment for innovative company with strong position on the worldwide market
- Flexible working hours, we adjust to your student's plan
- Professional development (trainings, possibility to work in international environment)
