Let's be remarkable.

Start something big today. Apply now

SAP Security Consultant

Location: Warsaw

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology—with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

Your contribution to something big:

- Works as a consultant for internal SAP security tools, such as MCoS (Mitigating Controls SAP Systems), RBAIS (internal tool based on SAP AIS) and APOLLO (SAP GRC implementation)
- Creates concepts for the development of SAP security applications
- Cooperates with business representatives and off-shore support teams on development of SAP security
- Consults internal customers in in all aspects of SAP security applications

What distinguishes you:

- Experience as a consultant or developer in the area of SAP Security
- Experience with the SAP GRC Suite (Access Controls, Process Controls, etc.) preferred
- Education related to IT or similar
- Experience in the support of SAP systems in the security area.
- Experienced in project work
- Fluent English
- Team player, open for work in multicultural teams

Benefits:

- Professional development (trainings, development plans, defined career paths, international assignments opportunities)
- Working in dynamic environment for innovative company with strong position on the worldwide market
- Benefit package (private medical care, sport pass, co-financing lunches, language and other trainings)
