Start something big today. Apply now

## System Owner's Support – Paid internship

Location: Warsaw

**Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology –with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch.**

Whether in areas of mobility, industrial technology, consumer goods, or energy and building technology, we constantly provide highly efficient solutions to markets worldwide. In doing so, we don't just measure our successes in terms of economic growth, but above all in terms of improving people's quality of life, because we feel committed to values that are based on responsibility. This is only possible with the help of a global network of more than 405,000 highly committed employees, with pioneers who break new strategic ground every day. So why not join us in starting something remarkable? Make it happen.

### Your contribution to something big:

- Support of System Owner's community in ongoing operational tasks
- Maintenance of System Owner's inventories (e.g.: excels)
- Maintenance of System Owner's communities (Bosch Connect / Wiki)
- Verification of received documentation according to local processes

### What distinguishes you:

- Very good analytical skills
- Microsoft Excel advanced skills – effective maintenance of inventories; ability to understand the data and evaluate them; ability to use formulas (basic and advanced); usage of macros would be appreciated
- SQL – ability to analyze queries and understand the results
- Knowledge about system's integrations will be appreciated
- Experience within SAP will be a benefit
- Very good English

### Benefits:

- Working in dynamic environment for innovative company with strong position on the worldwide market
- Flexible working hours, we adjust to your student's plan
- Professional development (trainings, possibility to work in international environment)
